KC,

I just wanted to let you know how thrilled we are to now carry GDiesel. I am excited for what it represents and offers to the consumer. By carrying it we have received several phone calls asking and verifying that we carry it. We are having big tractor trucks even filling up with it now. Our customers have nothing but great things to say as they are noticing differences with their own vehicles. By carrying GDiesel we are attracting more customers as well. Thank you for introducing this product to us.

Sincerely,
